"EMPOWERING OUR VOTERS"

By Juliet Gray-Williams & Keysia Desmore-Rolle

WHY VOTE?

- Nobody can force a citizen to vote. But many citizens do vote, because voting lets them tell the government what they want it to do. Then If citizens think they're paying too many taxes, they can vote for that person who promises to lower taxes. If citizens want more services, they can vote for someone who will promise to spend funds to gain more services.
- It's so important that you know how to complete your ballot. You will mark it by bubbling in the oval so that their votes will be counted Why is that so important? Because every vote counts! An election might be decided by a single vote and history would be changed because a person got...or lost... that one vote!

LET'S LOOK AT THE FACTS:

Florida's Population has exploded in the past 60 years and its electoral importance has grown with it from 8 electoral votes at the end of World War II to 29 today, tied to the third most in the country. It's essential we complete the 2020 Census A complete count is important! For the first time, you can choose to respond online, by phone, or by mail. Responding helps shape resources for children and your community over the next decade. Please contact the Census Office at 1-800-923-8282 or www.2020census.gov Florida is on track to gain two more electoral votes after the 2020 Presidential Election.

FLORIDA STATISTICS:

- In 2016, The Republicans earned 49.0% for Donald Trump as he edged Hillary Clinton by 1.2% at 47.8%
- In 2012 Florida was the only state decided by less than 1% with Democrat Barack Obama having 50.01 % beating Republican, Mitt Romney to 49.1%.
- In 2008, Barack Obama won by 50.91% against Republican John McCain with 48.22%.
- In 2004, Republicans rallied George Bush by 50.7% against Democrat John Kerry by 48.3%
- Lastly, during 2002, Republicans elected George Bush against Al Gore.
- This election was so close, the Florida vote was ultimately settled in Bush's favor by a margin of 537 votes when the U.S. Supreme Court, in Bush - vs- Gore stopped a recount that had been initiated upon a ruling by the Florida Supreme Court. Gore won the popular vote but lost the electoral college vote after a bitter legal battle
- Over disputed vote counts in the state of Florida. Ultimately resolved by Supreme Court of the United States in a 5-4 decision. The election was one of the most controversial in American History.
- We surely don't need history repeating itself!

VOTER REGISTRATION BY CONVICTED FELONS

- This information pertains to persons convicted of felonies who are eligible for restoration of voting rights under Amendment 4, approved by Florida voters on November 6, 2018.
- What is Amendment 4?
- This amendment restores the voting rights of Floridians with felony convictions after they complete all terms of their sentence, including parole or probation. The amendment does not apply to those convicted of murder or felony sexual offenses. The amendment does not define all terms of a sentence, "murder" or "felony sexual offenses."

CAN I REGISTER TO VOTE?

- On February 19, 2020, a three judge panel of the U.S. Court of Appeals for the 11th Circuit affirmed a district court order that temporally blocked a state law requiring felons to pay all outstanding fines in order to be able to register to vote.
- On May 24, 2020, Judge Robert Hinkle, of the U.S. District Court for the Northern District of Florida ruled that the law in question was unconstitutional. Gov. Ron Desantis (R) indicated the state would appeal the decision.
- If you were disqualified from voting solely due to a felony conviction (other than murder or a felony sexual offense) and you have completed all terms of your sentence including parole or probation, the Broward County Supervisor of Elections will process your voter registration application.

HOW DO I REGISTER TO VOTE?

- You must complete a voter registration application available at the Supervisor of Elections office) Or you may register online at RegistervoteFlorida.gov (https://registertovoteflorida.gov/en/registration/in dex).
- You must complete the entire form. Completing form includes checking a box, swearing (or affirming), under oath, that your right to vote has been restored.

WHEN CAN I REGISTER TO VOTE?

 Amendment 4 became effective Tuesday, January 8, 2019. If **Amendment 4 restores your voting** rights the Broward Supervisor of **Elections will process your voter** registration application beginning Tuesday, January 8, 2019.

WHAT HAPPENS NEXT?

 If the registration application is complete and the information is verified by the Supervisor of Elections, you will receive a voter identification card by mail within the next few weeks. If the registration application is incomplete or denied, you will be notified by mail. You can check your voter registration status here: www.browardsoe.org
